

## **PRIVACY STATEMENT Croes Consultants Websites (English)**

### **General**

Croes Consultants respects the privacy of all the users of her websites (hereinafter: "the site") and takes care all your personal data will be treated confidentially. When you visit our site, information will be collected to be able to provide you optimum service. In this Privacy Statement we will explain exactly which data will be processed, what will be done with your data and which rights you have got.

### **Which data is processed by Croes Consultants?**

The data, which will be processed by Croes Consultants, can be divided into two categories. On the one hand data, which you filled in at one of the GUI (Graphical User Interface) screens of the Croes Consultants website. These data concern your identity (as name, address, email etc), as well as data related to the questions and/or remarks put by you. On the other hand the so-called traffic data of the visitors of the Croes Consultants website. For instance the IP address of your computer can be registered. We can also take a look at your surf behaviour at the Croes Consultants website. You can find an example of user information at [croesconsultants.com](http://croesconsultants.com). - user information.

### **What does Croes Consultants do with your data?**

The aim of processing these data is:

- To process your question and keep you informed of the development of Croes Consultants and related services;
- To improve the user friendliness of the Croes Consultants website;
- To ask you the share your experiences with Croes Consultants, in order to provide you with a better service;
- The ability to offer you (personalised) offers and actions or to provide you relevant information or news bulletins. The personal data will only be used for above-mentioned purposes.

### **Links**

The site of Croes Consultants can contain advertisements of third parties or links to other sites. Croes Consultants can not exert any influence on the privacy policy of these third parties or their sites and therefore Croes Consultants is not responsible for them or their sites.

### **Security**

If data will be stored, it will be stored at the systems of Croes Consultants. For this Croes Consultants uses a security level which fits the kind of data to be protected.

### **Your rights**

You can always ask Croes Consultants which data, concerning you, will be processed. For this, please send us an email. Croes Consultants also likes to hear your questions and/or remarks regarding improvements, replenishments or other corrections. Croes Consultants will process these as soon as possible. If you're no longer interested in receiving information, offers or evaluations, you can inform Croes Consultants by email. Sending our newsletter, if available, will only happen if you ask for this. You can find the contact information concerned, including email address and links, below.
